## TEACHERS *on* TOUR

Experience the Teachings of Canada's Yasodhara Ashram in Europe

### ABOUT YASODHARA ASHRAM

Yasodhara Ashram in British Columbia, Canada, offers a wide range of programs year-round. We are a residential community where we practice living what we teach – values like relaxation, clarity, sustainability, self-nurture and compassion – learning to take Yoga into all aspects of our lives. Our new Temple of Light is a symbol of peace, hope and unity – open to all.

Swami Sivananda Radha, the founder of Yasodhara Ashram, was a pioneer in the development of Yoga in the West. Her classic books, including Kundalini Yoga for the West and Hatha Yoga: The Hidden Language, demonstrate her unique ability to make the depth of the East's ancient traditions accessible in daily life.

### WORKSHOPS, TALKS AND RETREATS

Workshops can range from 2-6 hours to a few days. They can have a specific focus, such as Cultivating Compassion, Yoga and Nature or Balance in Life, and are all based on yogic practices such as breath, relaxation, asanas, visualization, mantra, written reflection or drawing.

See [yasodhara.org/about-yasodhara/yasodhara-yoga/](http://yasodhara.org/about-yasodhara/yasodhara-yoga/) for a description of our practices, including Hidden Language Hatha Yoga, the Divine Light Invocation, Mantra Yoga, Kundalini Yoga and Dream Yoga.

Titles and descriptions can be developed to suit your group's needs and interests.
